Rocking it with red hair for the new year, we've got Roxi Keogh flinging fun in all directions with her spicey sense of adventure raising one or two eyebrows. But what are Roxi's New Year's resolutions? "Well, I've not done much this year so next year is going to be the year of partying, and I want to have even more fun with hot horny guys. I did enjoy myself last year, but there's always room for more fun, and sex!" We're keeping our fingers crossed that we're invited to the same parties as Roxi!

IN-TENTS FUCKING

I was visiting Germany with my boyfriend Chris, and we went to a party where they had erected a large tent. Inside were loads of people who had been partying all day and were drunk.

This lad of about 19 was trying to chat me up, and although he was drunk I accepted when he asked me to dance.

I pretended to be shocked but I actually enjoyed it

On the packed dancefl oor he took great delight in lifting my short dress so his mate could take photos of my arse.

I pretended to be shocked but I actually enjoyed the guys getting an eyeful of my brown bottom and thong. As the record ended I nodded to Chris and led the young guy Paul outside. We went to a secluded area and I told him I wanted him to fuck me.

I undid his trousers and pulled out his half-cocked dick. Chris stood by grinning as I fed Paul's thick, pliable cock into my mouth. I'd never had a soft cock before and I really enjoyed bending it all into my mouth to bite and tease it.

Then Paul's mate, the one with the camera (Sven), came along and offered me a stiff prick to suck on. I sucked both cocks for a while before Sven turned me round, pulling my dress up and my thong down.

He slid his cock right up my slippery cunt and I stroked my clit. Sven pulled my dress up over my head and I stood there naked as he fucked me.

As Sven forced his cock into me, Paul got stuck in and started sucking my tits. Sven said something I didn't understand, but it became clear he was going to spunk in my face as he turned me round and pushed me down.

Sure enough I got a glorious face full of cum. I was busily slurping away at the cum around my mouth when Chris wandered over.

He's used to me getting into sordid situations like that one, and he enjoys the sight of me sucking and fucking other guys.

All four of us went back into the tent and I had a wonderful time as my pussy was fondled by the three of them. I'm sure the two German lads think English girls are the sexiest in the world!

Conny, Kent.

What a peach of a body petite Kelly has! We couldn't help but gulp as we watched her peeling off one item of clothing at a time whilst posing for the photographer. Upon seeing the drool running down our chins and the distinct bulges protruding through our trousers she gave us a cheeky wink. "I'm very sorry, I seem to have that effect on men," she sighed. "Just make sure you put those cocks to good use on me once this photo shoot finishes!"

We can only thank our in-house photographer for this impromptu photo shoot of Dani Maye in our stock room! Little did we know that Dani would get so hot and horny whilst picking out some back issues of her favourite magazines. And what payment did we receive before Dani left the building with a bunch of magazines in hand? Well, as you can see from the photos we're always happy to take tits and arse ahead of cold hard cash. Thanks Dani!

TRUE CONFESSIONS

SEND YOUR CONFESSIONS TO: RAZZLE MAGAZINE, 20 LYON ROAD, HERSHAM, SURREY, KT12 3PU OR RAZZLE@PAULRAYMOND.COM

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

TELL US HOW YOU LIKE TO EAT COCK

I iving blow-jobs is one of my favourite pastimes. I love doing it, and I reckon I'm a bit of an expert too. I've got a bit of a reputation for it, actually. Word got around that I sucked a good dick, and now everyone has nicknamed me 'Holly Head'.

I like to start with a cock totally soft. I rub it a bit to get it excited and then I start kissing it all over. I plant soft kisses all the way up and down the shaft and on the helmet. All the while, the cock is slowly growing before my eyes. I love watching dicks grow – it gets my cunt wet.

Then I begin to trace the tip of my tongue up and down the shaft, only making the lightest of contact. This is really teasing, because the bloke is desperate to feel my tongue on his cock. But anticipation is half of the fun. And anyway, I like being in control.

As I lick the shaft, ignoring the sensitive helmet at first, I blow on the wet saliva trail I have made to make it really cold. The bloke is usually moaning by now, and his cock will be mostly hard but not quite fully erect. Then I start flicking my tongue across the helmet, wriggling it against the japs-eye and twanging the banjo string. This is guaranteed to get the cock twitching.

Then I suddenly take the helmet in my mouth and start swirling my tongue around it, licking it all over and getting it really wet. This is about the time the cock reaches full hardness. That is the warm up over. The teasing and playing is finished, and now for my favourite part – some proper cock sucking.

I begin to slide my whole mouth over the helmet, bobbing it back and forth. I slowly increase the depth of my sucking, taking a little bit more cock each time my head goes down. I make sure I hold the bloke's thighs firmly in place - I don't let them do the thrusting just yet.

I keep sucking deeper and deeper, opening my throat, until I am sucking right down to the base and my lips are touching his pubes. A lot of blokes have never experienced this sort of deep-throat before, and they love it nearly as much as me. I give them a short demonstration of what I can do, taking their cock right down my throat for a few strokes.

Then, having got them all excited, I start on their balls. I keep wanking the cock with one hand while I nibble towards the bollocks. After licking them all over, I then take one in my mouth and suck it like a gobstopper. You have to be gentle when you're doing this, and it's also good to wiggle your tongue around with a bollock in your tongue around with a bollock in your mouth. It feels great. If I can manage it, I try and get the other ball in my mouth as well. Then I make a humming noise with my throat which causes my mouth, and the bollocks there within, to vibrate. That's a winner, trust me.

After dealing with the balls, I go back to the main course. I keep wanking the base of the cock while I suck on the top half, giving the head plenty of attention with my tongue and massaging the bollocks with my hand. I can sense when a bloke is nearing orgasm and when he is I go back to deep-throating.

I increase the pace so my mouth is sliding up and down the full length of his cock really fast. Sometimes, if a bloke starts thrusting his cock into me, I will open my throat and just let him fuck my mouth till he cums. Otherwise, I keep on deepthroating and ball squeezing till I get my salty reward.

I absolutely love the taste and feeling of

spunk in my mouth. I see it as payment for the blow-job I've given. My favourite is when a bloke spunks right down the back of my throat and it goes down without me even having to swallow. That feels so downright fucking filthy. I also love taking it over my face – that is filthy too, and makes me feel like a porn star.

Of course, I squeeze and tease to get every last drop of jism out of the balls and into my belly. I like to gently suck the cock as it softens as well, and blokes seem to like it.

No two cocks are the same, and no two blow-jobs are the same. Sometimes they cum straight away, sometimes they take ages. But that is my general technique, though I'm always open to suggestions and will do pretty much anything!

Holly, Isle of Wight.

HAVE YOU EVER TUCKED INTO A JUICY BEAVER?

Cock is my favourite cuisine, but every now and again I have been known to chow down on some delicious cunt. The most recent time was with a bisexual friend off my course called Dani. She is really fit, with nice round tits, a stud in her tongue and a glint in her eye.

She'd often told me about the horny times she'd had with other girls, and I lapped up her stories. Secretly I used to wank over them, imagining it was me she was fingering, fisting and fucking.

We were at a loose end one afternoon, so we decided to go and shoot some pool. We had a few drinks as we played, and I couldn't help noticing Dani's tight butt as she bent over the table, or her pendulous tits hanging over the cushion when she played a shot.

I kept positioning myself opposite her when it was her turn and looking down her cleavage. We got quite drunk, and decided to get a bottle of wine in and go back to her room to listen to some music and chill out.

Anyway, back in her room we got talking about her sexual antics, as usual, and this time I admitted I masturbated over her stories. She didn't look surprised, but instead put her glass down and leaned over to kiss me. I was a bit surprised, but to be honest that was what I was angling for. I well fancied a go on Dani, especially seeing as she was experienced in lezzie sex.

She wasted no time, pulling my top over my head as her tongue explored my mouth. Still kissing me, she unclasped my bra and my melons swung free. Her lips moved down my neck until they closed over my bullet-hard nipples. I had goosebumps all over me as she licked and nibbled my nipples, sending pangs of lust straight to my cunt.

I ran my hand down between my legs, and she spread them eagerly. I rubbed her pussy through her trousers as she gorged on my nipples. Then she pulled away, got up and turned away from me. She bent over so her arse was in my face and slowly peeled her trousers off. She had no knickers on, and her lovely glistening pussy came into view between her legs.

As she kicked off her trousers, I accepted the invitation to eat her out. She spread her legs and I buried my face in her pussy, tonguing her slit enthusiastically. She started rubbing her clit and together we soon made her cum.

Then she stripped me naked and got me on my back on the bed, she pulled out a massive dildo from her cabinet. She coated it liberally in lube right in front of my eyes, all the while rubbing my clit and fingering me with one hand.

Then she told me she was going to give me a good fucking. She fingered me to get me juiced up, sliding two, three and then four fingers gently inside me. She clambered on top of me in the 69 position and told me to suck her pussy. I did as I was told, feeling her begin to ease the large love toy inside me.

It felt as though she was feeding it up me forever, and by the time it was inside it felt about two foot long. It felt fucking terrific, though, especially when she started thrusting it in and out and running her tongue around my clit. What a sensation!

Dani's expertise with a cunt brought me to a massive orgasm, my whole body trembling and cum actually gushing out of me for the first time ever. She loved that, and lapped it up, transferring some from her mouth to mine.

Dani says she will introduce me to fisting soon. I've told her I'm not sure, but really I can't wait. So if you're reading this Dani, and I know you love Escort, tell me when and I'm yours!

Sarah, Wales.

DO YOU TAKE IT UP THE ARSE?

I recently lost my anal virginity. I'd had fingers up my arse before, and sometimes I'd stuck a butt plug up my arse while I fucked myself with a dildo, but I'd never had a real cock.

I was keen to try, if a little apprehensive. I'd heard it could be really painful, but one of my friends told me that if it was done properly it was fucking amazing. I liked having a finger up my arse, so a cock seemed like the next step.

I was in the middle of shagging this guy called Nick who is a fuck-buddy of mine. He was fucking me doggy-style and I decided it was time to take the anal plunge. "Fuck me up the arse!" I told him.

He dropped a big gob of saliva over my ringpiece and began to work his finger inside my butt. After a while he inserted a second finger, which felt good. After a several minutes of probing I felt nicely relaxed and loose. I told him I was ready and he rested his bell-end against my puckered ring.

Slowly he nudged his hips forward and after a moment of resistance my arse gave way and his bell-end slotted inside me. It felt wonderful, and he held still as I slowly backed onto his shaft. As his cock disappeared up my arsehole, I felt like a dirty slut – great!

When it was fully inside me, Nick held it there for a while so I could get used to it. I was sighing with pleasure – I'd never felt so full before. Then he gently started to inch his cock in and out of my bum, building up a rhythm.

I started flicking my clit as Nick sped up, fucking my arse properly as I became more relaxed. It felt even better than I'd imagined and I had a wicked orgasm as I rubbed myself off, both holes clenching hard as I came.

JOY TO THE WORLD

I've just had my annual party at our local naturists and swingers club. As you can see from these pics we had a fucking good time before we went. My nipples were like champagne corks and my pussy hot and swollen after playing with my toys.

There must have been fifty people there, loads of guys and a good few bi-babes – just the way I like it.

My fella took off his overcoat to reveal his string vest and thong.

"Go on, release the beast," screamed a few of the women who knew him. But he took my coat off instead to show off my pierced nipples and chain.

We soon arranged to play with a black girl Joy with a fit young body in one of the playrooms. It was instant sex between me and her – kissing, chewing of nipples and plenty of pussy licking.

She got a double-ended dildo out of my box of tricks. We were so wet we didn't need any baby oil. We sat on the bed facing each other feeding the dildo into our greedy pussies.

Within minutes we were fucking grinding it into each other, good hard bi-sex with nine inches in each of us. We came half a dozen times each.

I'm a squirter when I cum and this surprised Joy but next she wanted my strapon to shaft her.

Ron had been enjoying the view but now he came up behind me and slid his cock up my cunt as I fucked Joy. She climaxed and licked her own juice off the strap-on.

Then she asked me to slip it up her tight arse. I oiled her gorgeous arse and cheeks and began to fuck her. Ron rammed his cock up my arse and we daisy-chained for another ten minutes.

Joy was so dirty and horny for one so young! She licked the strap-on again and then licked and sucked Ron's hard member till his cock looked like it was going to burst.

Ron is fifty but super-fit and a real stayer so I knew he would give Joy a good time. Ron made her slow down and suck his cock. Then he got her on all fours and took her cunt from behind, his pierced bollocks slapping with such force against her that she cried for mercy.

I orgasmed just watching them. Ron slipped on a new condom and eased his

big cock into her arse.

You had to see this to believe it – a big powerful man the size of Ron fucking a little petite girl's tight arse.

He showed her no mercy as he rammed into her again and again.

He pulled his cock out of her, still rigid and she licked it clean.

Then Ron got Joy and me to face each other and wanked his cock all over our faces from about three feet away.We licked his hot goo off each other's cheeks and chins.

Joy is our plaything now and we take her to swinging parties all over the North.

Rachel, Liverpool.

TWICE AS NICE

My wife and I have often discussed the possibility of her fucking another man and she always said that if the chance arose I could let my fantasy happen. Well, last week the chance arrived.

She'd been out to her boss's leaving party and had come knocking at 4am with her boss in tow. I saw a chance to see out my fantasy, so I let them both in. She was pissed out of her head, so I told him to help her upstairs and he didn't refuse.

In her room I pulled Anna's dress up over her head, leaving her in her bra and knickers. I told Bob to put her to bed while I went and locked up. I thought he was going to have a heart attack as I left!

When I got back, I immediately lifted Anna's legs and presented him with her soaking cunt. He took his enormous bellend and placed it at the entrance to her cunt and started to push. His knob gradually began to disappear as Anna moaned for a good fucking.

After a couple of minutes Bob got into a steady rhythm, nearly pulling right out of Anna before lifting her up and plunging into her cunt each time. This lasted for a couple of minutes before Bob erupted inside Anna while she groaned her appreciation and begged him to let her suck his cock.

While I quickly took his place he allowed Anna to suck the remaining spunk from his bell-end, only stopping to watch while I drove in and out of my wife's stretched cunt.

Bob fucked Anna twice more that night and each time she loved it more. I've included some photos, and you can see her cunt is well stretched!

Dave, Dagenham.

> He watched me drive in and out of my wifes stretched cunt

DOUBLE TROUBLE

There's nothing my boyfriend Rob likes better than when I get dressed up for him in tight black leather skirt, leather bra and thong, black stockings and leather boots. He invariably ends up taking photos of me before spanking my bottom and fucking my arse, mouth and cunt.

He drives me mad with dirty talk about getting me gang-banged by two or three other guys he knows. One of my greatest desires is to be double-fucked. Rob sometimes does it with the help of my dildo and it's great, but I bet the real thing is better.

Me and rob were fucking the other night, going at it hammer and tongs. Hot dirty sex really gets my juices flowing. He grabbed my head and forced his big hard cock into my mouth. He drove it fully in and out, making my clit throb and my pussy wet.

He bent me over his knee and spanked my bottom until it was tingling and feeling ready for a cock. Then he slid his hand up my cunt right up to his wrist and fi stfucked me. All the while I was shouting for more, before he pulled my hair and forced my mouth onto his pulsing cock once more.

His fat cock made me gag, which made him more horny, and then he bent me over the sofa and licked my pussy and tight little arsehole, driving me mad. I was gasping for him to stuff his fat manhood right up and he didn't disappoint me.

First he forced himself into my wet pussy and banged harder and harder. Then I barked out an order for him to bang my arse right away. He got himself into position and with a short, sharp thrust he was there, pulling my hair and fucking my arsehole just the way I like it.

I love the feeling of having his fat dick up my arse. It makes me feel totally full of cock and really slutty. I sensed Rob was going to cum and I begged him to cum all over me.

With a loud grunt he pulled out his big hard cock and came all over my arse. Quick as a flash he flipped me around and shot some more thick spunk into my face and over my pert tits. I just love it when his cum glides down my throat, all hot and salty.

My real ambition is to get gang-banged. I'm hoping lots of horny readers who can help will contact me. Then I can write in again and show and tell you all about it!

Jan, Yorkshire.

MELISSA

visit www.paulraymond.xxx

This is only Melissa's second time posing for a top shelf magazine and boy does she ooze confidence. The last time we shot her for the magazine she got so horny that she had to ask everyone to leave the room so that she could sample our photographer's dick. And true to form the same happened again as our office junior joined in on the act and fucked her in the bath tub. Unfortunately we can't show you the photos, we'll just have to leave it to your imagination.

TRUE CONFESSIONS

...CONTINUED FROM PAGE 25

Soon after that Nick said he was going to cum I and told him to do it in my arse. He thrust his cock in and out, grunting with pleasure and let fly with wave after wave of jism. I felt well fucked and well satisfi ed as my arse muscles clamped tight on his dick, only gradually liberating him. Now I want to have a cock in each hole at once. I think I might enjoy it.
Sonia, London.

HOW MUCH SEX DO YOU REALLY GET?

I live with my boyfriend Ian now, so we get plenty of opportunity to fuck. Mind you we were always at it even when we lived apart. Then we had to have sex all over the place because we couldn't always stay round each other's houses.

Once we were in a big posh shop in London and we were both feeling really randy. We hadn't seen each other for a week so Ian's balls were like basketballs and my cunt was aching to be filled. We had decided to do some shopping, but halfway through our sex drives got the better of us.

I was in the changing room with Ian as he tried on a pair of trousers. When he stripped down to his boxers I couldn't resist having a grope of his tackle. To my delight his cock was already semi-hard. As I massaged his shaft and bollocks with my fingers, his cock rapidly became as stiff as a board.

Ian looked at me like I was a very naughty girl to be doing this, but he offered no resistance when I started to slowly tug him off through his boxers. Then I slipped my hand inside to feel his warm hard cock. It was really straining against his pants and it clearly needed to be sucked.

I got down on my knees in front of my boyfriend and pulled his boxers down. He stepped out of them and pointed his cock towards my mouth. A glistening blob of pre-cum had formed on the tip of his swollen helmet, and I darted my tongue out to taste it. Then I licked his bell-end all over.

After tracing my tongue teasingly up and down his shaft, I stuffed his cock deep into my mouth till only his balls were visible. I knew I would have to be quick or security would be on to us (actually that might be quite interesting!) so I started to suck him off really deep and fast. I massaged his balls while I took his cock right down my throat, swirling my tongue around it.

To get Ian close to cumming, I licked all around his helmet while I jacked him off nice and fast. I could see in the mirror next to me that the curtain didn't quite fit on our changing room. I caught glimpses of people milling around the shop a few feet away. A couple of times people walked right past our room, and I thought once or twice, with a mixture of fear and excitement, that someone was going to come in. I could also hear someone getting changed next door, separated from us by just centimetres of wood.

When I sensed Ian was close to cumming, I plunged his cock back into my mouth. After a few strokes of my hot lips he began cumming. I squeezed his nuts gently as wave after wave of hot spunk splashed against the back of my mouth. It just kept coming, and it was a difficult job to swallow it all. I managed it though, not even spilling a drop.

I licked Ian's cock clean of cum and smacked my lips before handing him his boxers. He put them on and we sauntered out of the changing room like nothing had happened. It was a very daring and horny experience, and later on that afternoon Ian returned the favour by fucking me in the disabled toilet at McDonald's. These days we don't have to do things like that – but we still do because it is a fucking turn on!
Fiona, Croydon

HAVE YOU EVER HAD A THREESOME?

Before I met Ian I had quite a few sexual partners, and so did he. This is good because it means we are now both experienced and uninhibited in bed, so our sex is amazing! Some of the nights of fucking we have had have blown my mind!

A couple of years ago I was seeing a guy called Nick for a short while. His fantasy was to see me getting shafted by another bloke. I told him I wouldn't mind and we set it up with Nick's best mate Sean, who was a bit of alright. We met up, along with Sean's girlfriend Lara, at Nick's flat.

We had a few drinks to get everyone nicely relaxed, and then Nick suggested I sit on Sean's lap. I was a bit nervous about having sex in front of other people, as I'd never done it before. It was obvious Sean had no such qualms. When I sat on his lap I could feel his hard cock poking against me.

We started kissing and immediately he reached inside my top and unclasped mybra, pulling it out through my sleeve. Thenhe put his head up my shirt and began sucking on my nipples, making them rockhard and giving me goose bumps all over.I was getting very turned on. "Let us have a look!" said my boyfriend, so I pulled my top over my head.

Sean then stood me up in the centre of the room and sucked my hard nipples. Then he undid my skirt and let it fall to the ground. Warming to my role, I kicked it away to leave me standing there in just a skimpy G-string and boots. Then I undid Sean's jeans and pulled them down. I pulled off his boxer shorts to reveal a big hard cock. He pulled his top off while I got on my knees and started to suck him off.

After a short while, I felt someone tugging at my G-string from behind. I felt it being pulled to one side and then I felt an exquisite tongue exploring my moist slit. Out of the corner of my eye I saw Nick sitting on the sofa wanking, so I realised it must have been Lara licking me out. This made me feel sexy as hell – this was the first time a girl had been anywhere near my pussy.

She peeled my knickers off and I opened my legs and stuck my arse out to give her full access. In the meantime I deep-throated Sean and sucked his bollocks to moans of approval.

Then Nick said he wanted to see Sean fuck me. I lay on the floor on my back and Sean clambered on top of me. Holding my legs high, he eased the tip of his cock into my juicy hole. He slowly fed his cock into my cunt until I could feel his balls touching my arse. Then he began to pump me good and fast.

I lay back and let Sean fuck me. Nick was getting a good wank out of it, and I wasn't complaining because Sean was giving me a good fuck. Then Lara came over and put a pillow behind my head. She lifted up her skirt, took off her knickers and stood over me. I beckoned her own, eager to have my first ever taste of a pussy.

She squatted over my face and I closed my mouth over her smooth shaven cunt. It felt beautiful and I sucked away at her eagerly. I was reaching new heights of sexual ecstasy as Sean fucked me with his big cock and I licked Lara's gorgeous pussy. It wasn't long before I was cumming, my pussy clamping around Sean's hard-on.

Then Lara told me I was going to make her cum. This was a big turn on, especially when she actually came and I could taste her juices in my mouth and running down my cheek. The scene was clearly doing it for Nick as well, because just then he came over and started wanking in my face. He shot streaks of cum across my cheeks and into my mouth. He knelt over me and I sucked his cock clean. I came again for one last time just as Sean announced he was going to shoot. "Cum inside her!" said Nick, and his mate did just that, filling me up with his sticky spunk. That was a good session, and led to many more dirty sessions with Sean and Lara. Not with Nick, though – I split with him when the dirty get suggested I wank his dog off.
Marie, Manchester

HAVE YOU EVER DONE ANYTHING REALLY KINKY?

Plenty of things – but I'd never go so far as to wank a dog off! Sometimes Ian and I like to tie each other up and act out fantasies and role-plays.

One of our favourite and most frequent fantasies is that Ian has been a naughty boy and he's been sent to see the headmistress. I dress up in sexy silk stockings and suspenders, a short skirt and a blouse buttoned down to reveal my bra. I usually tie my hair back and wear my glasses to give me that school mistress air.

I go to the bedroom and wait for Ian. Then he has to knock before I let him in. Then he shuffl es into the room and I give him a good telling off, telling him what a naughty boy he has been. All the time, he has a bulge in his pants. Then, I tell him that I'm going to have to punish him – that's when his bulge usually gets a lot bigger.

I order Ian to strip off. When he is naked I point at the bed and he obediently goes and lies down face up with a hard-on. Then I stand in front of him and let my hair down and take off my glasses. I get a silk scarf and straddle his chest. Carefully I tie his wrists to the bedstead so he is fastened securely and ready to be punished.

I stand up in front of him and seductively strip off until I'm completely naked. Then I sit at the end of the bed and start playing with myself, rubbing my breasts and squeezing my nipples. I start to finger myself in front of him and his cock jumps about and twitches like mad.

Then I stand over him on the bed and order him to eat my cunt. He meekly says, "Yes miss," and I sit on his face. While he is licking me out, I tease his tackle. I trace my nails up and down his cock, tickle his balls and touch his helmet very lightly with my tongue. It is all designed to tease him so he builds up a head of steam and is desperate to be sucked or fucked.

When he is ready, he breaks out of his bonds (I tie them loosely so he can break out) and suddenly he is the one in control. He grabs me roughly and throws me onto my hands and knees before giving me a damn good fucking. He is so horny by then that he flips me in to all sorts of positions and generally gives me a long hard fuck.

It is one of several role-plays we enjoy, and probably our favourite. It certainly does it for me, I always end up cumming by the bucket load!

RUB A DUB DUB!

I'm writing to tell you about what happened to me one night, after an eveningout with my husband Kenny and a friend of ours called Frank.

I had always fancied Frank and often used to stand with my back to him, giving his cock a sly rub when I thought no one was looking. Kenny knew this and just smiled. One night, Kenny invited Frank back to our house to watch some porno films.

We were watching one with a woman being fucked by two men, and this really turned me on. I looked at Kenny, who had his cock in his hand. He told me to suck his cock. I went over and slowly eased his cock to the back of my throat. Frank looked over and Kenny told me to get Frank's cock out and suck it.

I didn't need telling twice and over I went, easing his pants down and taking his lovely thick hard cock straight down my throat. Frank moaned and started to massage my tits, which I love as my nipples are very sensitive and really get me going.

Kenny came over and also started to play with my tits as I sucked Frank and began to wank Kenny's cock. I then went back to sucking Kenny while Frank lowered himself to the floor and lay on his back. He pulled down my knickers then buried his tongue deep inside my dripping wet cunt.

Things moved very quickly after this and the three of us were very soon naked. I sat on Frank's cock and started to bounce up and down while Kenny stood next to me and started to fuck my mouth.

I was in heaven being well and truly fucked by a cock at both ends, and I swear it felt like they met in the middle. Frank was the first to cum, filling my cunt with thick spunk.

I screamed with the pleasure of my own orgasm, swiftly followed by Kenny filling my mouth with hot, salty love juice that I eagerly and quickly swallowed. For the next three hours I was fucked non-stop at both ends by the man I love and the man I had always wanted to fuck.

I love being fucked at both ends at the same time, but the highlight of the evening was having Frank's cock buried deep inside my cunt while Kenny fucked my arse. That made me cum over and over.

NOTHING BEATS THE FEELING OF BEING FUCKED AT BOTH ENDS

I received three lots of cream down my throat that night, and two lots up my cunt. By the time we finished, all my holes were aching but I was smiling like a Cheshire cat. I was well satisfied.

Kenny and myself have since had a few threesomes and want more. Nothing beats the feeling of being fucked at both ends at the same time, and I would recommend it to any woman.

Kenny had made my dream come true many times, and I'd dearly like to make his come true. He would love to have two women together, and I'd also like to have a woman. If any readers would like to oblige us, then please get in contact!

Hazel, Cleveland.

HAND SOLO - DIGITAL PLAYGROUND

Rather like the non-porno-parody Han Solo flick that limped onto the big screens to little fanfare, this offering from Digital Playground seems a little bit half-baked. Apart from anything, it's only got a cast of three sploshers, which is a bit on the thin side even if one of them's the tremendous Valentina Nappi.

Not in any way taking its cue from the original, this opens in some sort of transgalactic tittybar, where Valentina helps 'Hand' snaffle a spaceship with the roll of a dice, at the price of a bunk-up with Isiah Maxwell. It's all a bit of a swindle, but he can't be too upset to be diddled out of his spaceship by such underhand methods - especially when he's splashing off over Valentina's face! Once they've nabbed the ship they find Athena onboard and, well, it's time for Hand to get some action, with some nice reverse cowgirl thrown in along the way. There are four scenes in total, but they're a bit on the underlit side... and there's no nookie for the Wookie!
